Re: MassDEP Public Meeting: Heritage-Crystal Clean Petition

Dear Interested Party:

MassDEP will hold a public meeting in response to a petition entitled "Petition for Adoption of Regulations by Heritage-Crystal Clean, LLC Pursuant to 310 C.M.R. 2.00 and General Laws c. 30A, §4 Encouraging the Re-Refining of Used Oil." The petition was submitted by Heritage-Crystal Clean (HCC) on April 4, 2013, and a supplement was submitted on September 6, 2013 (the petition). The text of the petition can be seen at: <http://www.mass.gov/eea/agencies/massdep/news/comment/>

HCC submitted the petition pursuant to M.G.L. c. 30A, §4, and MassDEP will respond pursuant to the relevant provisions of 310 CMR 2.00 et seq., which require MassDEP to hold a meeting and notify the petitioners of MassDEP's actions within 10 days after the meeting.

At the meeting, MassDEP will allow time for the petitioners to present information about the petition, and as time allows, offer the opportunity for comment by interested parties.

The meeting will be held at MassDEP's downtown Boston office at One Winter Street at 1:00 PM on Wednesday, December 11, 2013. Directions are available at <http://www.mass.gov/eea/agencies/massdep/about/contacts/massdep-boston-office-hours-and-directions.html>.

If you have questions about the meeting, please contact Jenny Outman at Jenny.E.Outman@state.ma.us or 617-654-6586, or James Paterson at James.Paterson@state.ma.us or 617-556-1096.

Sincerely,

Nancy L. Seidman
Assistant Commissioner, Bureau of Waste Prevention
Massachusetts Department of Environmental Protection
